LTH is proud to serve you, supplying

- electrical distribution products
- janitorial supplies
- plumbing fixtures

Serving commercial, institutional and residential developments and facilities, LTH provides fast, personal, professional service and supplies.

LTH is known for experience in the electrical distribution field and has a reputation for product knowledge, strength and resources to provide you with high quality products at competitive pricing. In doing so, we will research and identify your request to provide you with unparalleled service that saves you both time and money.

Locally owned and operated, we look forward to doing business with you.

**Certified**

LTH is a WBE, MBE and DBE certified supplier with the City of Austin, Texas and surrounding areas, the State of Texas, and U.S. Department of Defense.
